WE ARE PROUD TO
INTRODUCE BOUNTY,
CONCEIVED BY THE
RENOWNED L. FRANCIS
HERRESHOFF, BUILT
WITH CARE BY THE
DEDICATED CRAFTSMEN
OF LEGENDARY YACHTS.

As any discerning yachtsman knows, form and function are the cornerstones of great design and superior yachtbuilding. Like other Legendary Yachts before her, Bounty marries graceful, classic design with the finest elements of the boatbuilder's art. Her timeless lines and handsome profile evoke memories of the great days of sail, while her modern materials and equipment guarantee superb performance and ease of maintenance.

Cold-molded of Alaskan yellow cedar and Honduras mahogany, Bounty's hull offers strength, light weight and natural insulating properties unmatched by any other materials in use today.

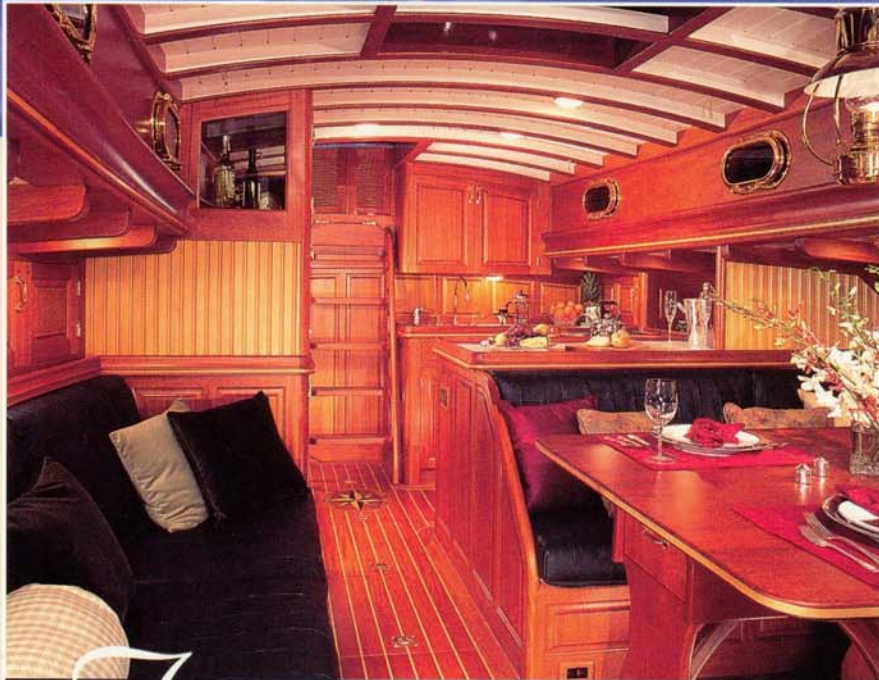

There is no substitute for the time and skill required to create a masterpiece.

The finest materials, hand picked by our experienced team of yachtbuilders, are evident in Bounty's structure, systems and rig.
